

# POWERHOUSE™

## Super Hi-Foam Concentrate

### Product Features

- Extra foamy formulation lubricates the surface as it cleans.
- Versatile vehicle soap that effectively loosens dirt, road grime and grease.
- Great in foaming brush and automatic friction applications.
- Neutral pH formula rinses clean, leaving no streaks or residue.

### Description:

Powerhouse Super Hi-Foam Concentrate is a foaming soap that lubricates as it cleans. This fast-acting, super concentrated soap is pH neutral, and is an effective solution for all types of exterior vehicle cleaning applications.

### Intended Use:

Powerhouse is an excellent foamy vehicle wash soap used in coin-op brush and automatic friction systems. This versatile formula can also be used in tunnel, and hand wash applications.

### Product Specifications:

Dilution: 30 - 40:1  
pH Concentrate: 7.5 - 8.0  
Appearance: Clear green liquid.  
Shelf Life: 5 years.  
Disposal: Dispose according to all local, state and federal regulations.

### Product Capabilities:

Powerhouse is formulated to be gentle on automotive finishes, yet effective on dirt, soils, and grease. Excellent lubrication properties, with highly visible foam that lets customers know it works. Powerhouse is recommended for use in hot or cold water systems.

### Application:

Powerhouse can be diluted 30 - 40:1. It may be applied by using brush, spray, hand, or high pressure equipment. Follow equipment manufacturer's recommendations.

### Precautions:

May cause irritation to skin and eyes. Protective eyewear and gloves are required. If taken internally, drink large amounts of water. DO NOT induce vomiting. Seek medical attention immediately.
